Bretts Tip For April 2009

APRIL FOOL

"Just a bit of fun there. Hope It didn't get too many people going for too long."

Now on to business and the REAL tip for this month. Here are 3 presets for you to save for the lovely song 'Wind beneath my Wings'

"If you have the Franz Lambert Special edition then you could make a big difference to the sound by replacing the 'Strings 1 Soft' sound on the UPPER 3 for the FL Classical Strings. This will give you a much more richer String sound."

"Best wishes for now, Happy Easter"
